Sir:

Applicant, through his undersigned attorney, hereby petitions for revival of the above-identified application in accordance with 37 C.F.R. §1.137(b). The above-identified application became abandoned due to the non-payment of the issue fee. This petition is being filed within one week of the mail date of the Decision on Petition denying our Petition to Vacate Holding of Abandonment Under 1.181(a)(1) which was previously filed on July 24, 2003.

Under 37 C.F.R. §1.137(b), a petition to revive an unintentionally abandoned application must be accompanied by

(i) a statement that the entire delay was unintentional, (ii) a proposed response unless it has been previously filed, and (iii) a petition fee in the amount of \$750.00 (small entity) in accordance with 37 C.F.R. §1.17(m).

(i) Applicant, through undersigned counsel, hereby states that the entire delay in filing the required reply, including timely payment of the issue fee, from the due date for the reply (May 27, 2003) until the filing of a grantable petition pursuant to this paragraph, was unintentional.

(ii) As the proposed response, attached is the payment of the issue fee form PTOL-85B. The issue fee payment for a small entity in the amount of \$50.00¹, is attached, i.e. to be charged to the American Express account of the undersigned as per the attached form PTO-2038. The required formal drawings are also being resubmitted.

(iii) Please also charge the petition fee of \$750.00, as set forth in 37 C.F.R. §1.17(m), as per the attached form PTO-2038.

Please charge any additional fees which may be necessary with respect to the revival of this application, or credit any overpayment, to deposit account no. 02-4035 of the undersigned.

¹ Please be advised that \$650.00 for payment of the issue fee was previously paid on June 4, 2003, and was charged to our credit card.

The granting of this petition and the forwarding of the application for processing to issuance of a patent is therefore earnestly solicited and respectfully requested.

Respectfully submitted,
